## Overview of Services

We provide an array of comprehensive services including three enhanced services with the medical oversight of a psychiatrist. We use evidenced based practice models for all our services.

Call 305-501-4943 for details or to schedule an appointment.

## Our Mission

Life's Essential Support Services is committed to creating healthy and secure communities by providing the least restrictive service that ensures quality, appropriate, and efficient care.

## Our Goals

Life's Essential Support Services continues to pursue its goals of:

- Providing effective, accessible, and responsive mental health services in a cost effective manner with the resources we have available.
- Maximizing the number of people treated, regardless of their ability to pay.
- Emphasizing the involvement of family and other social relationships in all of our services.
- Providing our expertise and professional services to enable our clients, owners, and community partners to accomplish our shared mission.
- Continuing to search for new technologies and methods of treatment for the best interest of our clients.

Call 305-501-4943 for details or to schedule an appointment.
